

HERITAGE PROPERTY PLAQUE APPLICATION FORM

For nearly half a century, Heritage Toronto's Historical Plaques program has commemorated key people, places, and events in Toronto's past. These plaques help us explore our rich cultural, natural, archaeological, and architectural past—the people who lived in our homes and once walked our streets; the communities, events and streetscapes they shaped; and the world they faced and changed.

The program encourages Torontonians to apply for plaques and find funding support within their communities to make them happen. Heritage Toronto provides expertise in historical research and writing, plaque design and fabrication, and installation of plaques on buildings and in public spaces.

Together we work to remember our past, enrich our present, and inform future generations.

Heritage Property Plaque Guidelines are as follow:

1. Plaque projects are reviewed by Heritage Toronto's Historical Plaques Committee, a group of individuals with expertise in Toronto's diverse heritage.
2. Heritage Property Plaque proposals are reviewed by-monthly.
3. All properties on the City of Toronto's *Register of Heritage Properties*, including those within Heritage Conservation Districts, may be considered for a Heritage Property plaque providing, at a minimum, the name of the building, date of construction, and architect (if known).
4. Heritage Toronto's Historical Plaques Committee retains the right to make final editorial decisions.
5. Upon completion, plaques 10"x6.5" become a part of the property, with ownership and maintenance the responsibility of the applicant. Plaques 14"x9" and larger are the property and maintenance responsibility of Heritage Toronto.
6. For plaques on subjects of a general nature such as the Site of the first moving picture show in Toronto, Toronto's First Chinatown, Scarborough Beach Amusement Park, Withrow Archaeological Site, please see our Commemorative plaque program.
