

CELEBRATE YOUR HOME'S HISTORY WITH A CENTURY HOUSE PLAQUE

The Century House program offers Torontonians who live in houses built 100 or more years ago the chance to apply for a custom-made historical marker.

Each Century House Plaque is made of durable enamel and measures 11 ¼ inches x 9 ¾ inches. In addition to highlighting your property as a centenarian, the plaque also doubles as a street address marker.

A fee of \$250, payable to Heritage Toronto, covers the research, fabrication, and shipment of the plaque to your home.

Receiving a Century House Plaque does not mean your house will be listed or designated on the City of Toronto's Heritage Register. All Century House Plaques are issued at the discretion of Heritage Toronto.

This historical marker will serve as official recognition of your home's contribution to the establishment of your community and to the built heritage of the City of Toronto.

Heritage Toronto is a charity and agency of the City of Toronto that celebrates the city's rich heritage and the diverse stories of its people, places, and events.

Through the Historical Plaques Program, we encourage and facilitate community involvement in the commemoration of Toronto's past.

If you have any questions, please contact Heritage Toronto's Historical Plaques Program Coordinator at 416-338-0679 or plaques@heritagetoronto.org.
